Livingston's Motion for Sewerage Plans Approved After "Will Of The People" Statement Here Wednesday

Belle Glade city commissioners authorized the engineering firm of Russell & Axon to proceed with the detailed plans for a sewerage system at the regular Wednesday meeting.

The move came late in the meeting when Commissioner J. W. Livingston moved to approve the \$1.1 million system. He referred to the Tuesday referendum stating that this was apparently the "will of the people."

"The motion was put to a vote and Commissioner Walter Ashley's second, and after considerable discussion, the vote was unanimous."

Commissioner William Evans then moved to appoint a five-man utility board to work with the city commission to iron out the sewer works. Unanimous approval was given. The group agreed to a special meeting with the board, when it is appointed, and the engineers.

In other action the council: Respected Luther Jones to the Palm Beach Resources Development Board.

Tabled without action a letter from Red Cross disaster chairman V. L. Dexter, a request for a cult on Avenue L. The board also postponed the adoption of a resolution accepting the election results and providing for the 17th runoff.

Approved the renewal of an alcoholic beverage permits to Russell Weeks, Russell Brown. (Continued on Page Eight)

JOB AND WORKER

J. W. Mosley, Jr., Representative Florida State Employment Service

Keeping the Wheels Turning

A shortage of tractor drivers is now being developed on the much much earlier this year than has been noted in the past several years. Efforts are now being made to bring tractor drivers here from Southern States.

J. W. Mosley, Jr. The pull of industrial activities upon our better agricultural workers is now being felt. They are the type of workers that industry can use. I believe that tractor drivers can be found in the area brought here to assist in making the crops this year. Let me know of one of this type, let me know of one and I will endeavor to see what can be found for you. A blanket order is now being placed for tractor drivers.

If you want to be placed in one of the areas where we think it will bring results. Many of our former agricultural workers are leaving here daily to work in the water district of Florida, where the work is short and pay is good. I believe this trend will continue.

Publication Relations. I read a paragraph in a Periodical the other day that struck me as being pertinent to our area around the Lake. Public relations might be described as the application of the best available knowledge of human behavior, to achieve the understanding, good will and cooperation of people. Top operating class of every type of organization, both profit and non-profit, are responsible for achieving good public relations because no activity can today succeed without them.

1957-58 Budget Is \$55,256 Higher Millage Now 12.5

The city of Belle Glade 1957-58 budget approved Wednesday sets out \$440,774.40 to operate the city. This figure is an increase of \$55,256.28 over the 1956-57 budget. The millage on real and personal property has been reduced from 10 to 12.5.

The items which treated most of the increases are: swimming pools operation \$12,000, a \$600 St. bridge \$10,000, negro recreation center \$10,000, additions to the \$11,000, park shelter \$3,500, emergency fire department vehicle \$3,000, civil defense equipment \$300.

City Manager Clarence Robinson said operation increase and decrease was to be found in each department of the city. Approximately \$50,000 of the new budget goes for recreation and public services.

Some of the minor increases are: Two new firemen and one additional policeman, expanded fire department, extra money for Jerry T. Whitaker. (Continued on Page Eight)

Heart Association Makes More Plans

"The Belle Glade Jaycees are sponsoring the Heart Meeting to be held at the West Palm Beach, September 25th, at eight o'clock in the Belle Glade High School Auditorium," will be moderated by Dr. Sidney Davidson of Lake Worth.

South Bay Clerk Alvin Crow Quits; New Affidavit Stirs Rock Squabble

The South Bay Council voted 3-2 Monday night to accept the letter of resignation from City Clerk Alvin B. Crow which the clerk sprang on the unsuspecting councilmen.

Councilman W. L. Wheeler and S. J. Fisher voted to accept while Mayor Sullivan and Henry Elfers did not vote. Mayor F. W. Kelley's affirmative vote broke the tie.

Both Elfers and Sullivan were from 1946 to 1949 but resigned that year due to his wife's health.

In Runoff Battle Sept. 17

Paul Davidson Wins Runoff

Nine hundred fifty-eight voters out of 1,420 registered at Belle Glade turned out Tuesday to approve the city's new charter and sewerage plans as well as elect two commissioners and create a runoff election Sept. 17.

The largest turnout since 1949 chose to re-elect Mayor Z. T. Ingram in Central Borough and defeat incumbent J. H. Livingston by electing new-come Paul Davidson to the West Borough chair.

Sewers And Charter OK'd; Ingram And Davidson Win, Lanier - Unwin Runoff Set

The city commission approved the fund transfer this week to allow start of construction of the court house annex on SR 15 at the county barn site.

Last month the commission received bids on the project, the lowest bid, entered by John Tschirg, West Palm Beach, was \$18,000 over the budget price of \$100,000.

Commissioner Paul Rardin won the support of the board to transfer funds from other district capital accounts to make up the difference in the bid.

The board, after approving the fund transfer, authorized the engineer to complete contract arrangements with Tschirg.

On one other Glades project, Rardin made an effort to win support of the board to improve State Market Road at Pahokee. Rardin told the board this week that immediate repairs are important from market road is necessary.

He said rebuilding of the road is in the road department budget, and he asked that the state be requested to speed up the project at this time.

Fund Transfer Made Court House Work Is Set To Begin Soon

The city commission approved the fund transfer this week to allow start of construction of the court house annex on SR 15 at the county barn site.

R. W. Lanier Will Face Incoming Mayor

R. W. Lanier will face incoming Mayor Z. T. Ingram in a further test at the polls next Tuesday since neither of the four North Borough candidates received a simple majority.

Sewerage for the city, a \$1.1 million project, was approved by a narrow 30 votes 351-321. The runoff election was approved 355-110.

Rainfall Reports Varied This Week

Rainfall in the past week has averaged from a low of 1.28 to over three inches at points around Lake Okechobee, according to recording stations checked by The Herald.

A spokesman at Clewiston reported heavier amounts falling from Clewiston and north of Belle Glade than the amounts here. The weekly average for the U. S. Sugar station at Bryant reported over three inches for the week.

The forecast calls for a pickup of shower activity over the week end.

Rainfall at South Bay was 1.02 in. at Runway 1.02 at Clewiston 3 in. Total measured South Florida Conservancy of the Belle Glade was 1.5 while the experiment station reported 1.28.

Causes Unknown In Negro Death

Investigation continues in the sudden death of Edna Mae Smith, 32, 118 SW Ave. B, Place, who collapsed at the Ace Liquor Store on SW 5th St. Monday night.

The negro woman was dead on arrival at Belle Glade Memorial Hospital. Actual cause of the woman's death has not been determined pending the results of chemical tests, according to state's attorney Phil O'Connell.

The autopsy was ordered by Dr. Davidson. The results of the investigation's office after a local doctor was unable to find the actual cause, Constable W. Lee called to the scene in lieu of ailing coroner Joseph Sumner, Dr. J. A. Later, George W. Greer, Jr., an investigator from O'Connell's office, continued the investigation here. O'Connell said Wednesday that the results of tests on laboratory samples sent to Washington would not be known until next week. Possible poisoning was given as reason for the investigation.

"But," he added, "as far as we know death could have been perfectly normal."

The remains have been sent to Taylor Funeral Home and funeral arrangements were expected to be announced late this week.

Mrs. Abbie Forkum Buried In Georgia

Funeral services for Mrs. Abbie Watson Forkum, 45, who died Tuesday at noon after a brief illness at the home of her sister, Mrs. Ila Kilgough, 325 N.W. 9th St., Belle Glade, were held Thursday at 2 p. m. at the First Baptist Church. Chosen by Mrs. Forkum's family.

A native of Metter, Ga., Mrs. Forkum came to Belle Glade in 1926. She was married to Mr. Forkum, who died in 1930. Survivors include her husband, J. K. Forkum, Belle Glade; five brothers, Alton A. Stanton, T. and Retford E. Stanton, Belle Glade, and Mrs. Mattie Harville, Dublin, Ga.

Funeral services were held at Metter, Ga., by Rev. F. Morris, Sr., Willy Walker, Whitman Thomas, Basil Cook, Charles Forkum, E. B. McMillan. Interment will take place at Millen, Ga., at Upper Lots Cemetery in Bullock County. Wednesday, August 14, 1957, was in charge of local arrangements.

SB Tax Roll And Budget Approved

In addition to the resignation of City Clerk Alvin Crow and the introduction of a fourth affidavit in the rock coupe at South Bay, the council passed several other city matters Monday night.

After sitting as a board of equalization to approve the tax rolls for the coming year, the council voted to accept the proposed roll and assess a four mill tax.

Slating that the tax roll was basically the same as last year, City Clerk stated that a four mill levy would produce \$8,454.05. Expenditures for the year balanced with this figure. The council took the budget under advisement for action later.

Some Flu Vaccine Is Available Now

With the outbreak of several cases of influenza in the Belle Glade area, doctors at Belle Glade and Pahokee announced this week that vaccine for inoculation was available.

Dr. J. A. Baker said he and Dr. Roy Brown had received a quantity of polyvalent vaccine and Dr. E. C. Johnson at Pahokee said he had received an order of monovalent vaccine.

Polyvalent is a term used to describe a vaccine effective on all types of flu although a certain amount of resistance to the Asiatic type could be received from this type of vaccination.

Monovalent is designed to describe a serum effective against one particular type of flu—in this case Asiatic flu.

Belle Glade supplies, Dr. Johnson estimates, might take care of 50 to 100 persons with more than two weeks or less.

Dr. Baker said virus samples from the several cases had been sent to West Palm Beach for chemical tests to determine if the discovered virus is of the Asiatic type.

Anyone over three months of age can take the vaccine, Baker said. Children under this age (Continued on Page Eight)

Beauty Contestant Martha Call Ammons, Jr. Wins

Beauty Queen is off on another assignment sponsored by the Belle Glade Junior Chamber of Commerce. The Canal Point beauty will compete with other contestants in the Miss World Beauty Contest at Clearwater on Sept. 16. The beauty contest is held in conjunction with the world football championship game held in that city. C. L. (Tiny) Todd is pictured with the beauty, Martha Call Ammons, Jr., a fellow Jayce, is left holding the bag.

Football Seats Sold

Reserved seats for the Golden Rams football 1957 season are sold out, states Belle Glade High School Principal Frank O. Hobson this week.

Hobson said the tickets would be at the high school office for those persons having ordered their tickets may pick them up on Monday.

Rams Scrimmage Prep For Hawks

By Jack McCallisk

Belle Glade High School's Golden Rams, engaged in spirited but exhausting here yesterday in preparation for their opener with the Seacrest Hawks at Seacrest on Friday, September 20.

The coaching staff's important job of getting the right man in the right position where he will do the most good is almost done. Head Coach Jim Maynor has just about decided upon the boys on whom the most responsibility will be placed.

"Our season will be good or bad depending upon the ability of the men to come through. Our line will average 152 pounds, the lightest in years. The backs will average 156 pounds. But our overall team speed will be above the average, Maynor said.

"I'm very pleased with the progress that some of the boys are making. There's Howard Roberts, a 160 pound senior who weighs only 135 pounds now. (Continued on Page Eight)

Negro Civic Needs Aired At Meeting

The mass meeting held Sunday afternoon at the Lake Shore Canteen by the Belle Glade Negro Men's Civic League produced the presentation of certain problems which prevailed in the negro community.

A printed questionnaire distributed among those present pointed out the problems which the league and private citizens as well regarded as the most serious.

Another point asked that the city work to remove the Avenue C problem. Robinson said the situation was city-wide and the hands of the state road department and the city could do nothing at present.

The document called for brighter street lights in the negro areas, and Robinson said that problem was city-wide and that work would be initiated to improve lighting all over the city.

Worthy of statements from the political candidates who attended.

It was pointed out that a major step toward the establishment of an acceptable community will have been made if these problems are recognized and disposed of by the city commission.

During the time given to each candidate to present his platform, the candidate made statements relative to the questions contained on the questionnaire.

The Herald asked City Manager Clarence Robinson to comment on the requests with regard to what has been budgeted for them in the coming fiscal year.

The document stated that the Lake Shore swimming pool would not meet the current recreational needs. Robinson said \$10,000 had been set up for a city building in addition to a \$3,000 annual recreation.

A swimming pool, Robinson said, could probably be constructed at the other recreational facilities.

New Boat Club Commodore Named

Reorganization of the Belle Glade Boat-Ski Club was completed at the city hall Sept. 6 when members accepted bylaws, charter and constitution of the former club.

Lee L. Smith was named commodore of the new organization of which nearly 50 persons are now members.

Others officers are William Graber, executive officer; Sam Henderson, fleet captain; Eunice Chamber, treasurer; Walter Schlechter, assistant secretary.

No secretaries have been appointed.

The club voted to support the chamber of commerce Glades Water Sports Activity Day Oct. 6 with members making boats and services available to the members or all communities around the lake.

Commodore Smith said it is rumored that there will be a boat parade in the city on Oct. 5th.

All persons wishing to join the boaters are asked to contact one of the members or mail the coupon which appears on page eight.

Directors in the club are William Graber, Sam Henderson, Claude Jones, Eunice Chamber, Walter Schlechter, S. Corbin, Avery Bass, Francis Harris and Lee Smith.

Proclamation For Civil Defense Week Signed By Mayor Z. T. Ingram

Mayor Z. T. Ingram has proclaimed Civil Defense Week in conjunction with the national observance of that event Sept. 15-21. In an official document signed this week the mayor said:

"Whereas, the maintenance of the peace and the survival of the nation, personal, state and national survival in the event of enemy attack is of paramount concern to the citizens of Florida, and

"Whereas, the existence of a resolute and effective civil preparedness program is essential as a means of attaining these goals, and

"Whereas, the effectiveness of the national civil defense depends upon the state of individual, community and governmental readiness to absorb the adversity of disaster, therefore,

"Whereas, the President of the United States has set aside the week of September 15-21 as Civil Defense Week as a means of developing public awareness of the need for increased disaster preparedness, and

"Now, therefore, I, Z. T. Ingram, by virtue of the authority vested in me as Mayor of the City of Belle Glade, Florida do hereby proclaim September 15-21, 1957, as Civil Defense Week."

Paul Davidson Wins Runoff

Paul Davidson won the runoff election for the West Borough chair. He received 355 votes to 110 for J. H. Livingston.

Topics For Sept. 15

Sermon subjects of Dr. J.

Read Psalm 23.

Thou preparest a table before me in the presence of mine enemies. (Psalm 23:5).

I heard Uncle Boulus tell this story: "I was scarcely fourteen years old at the time of the First World War. The Christians of the Near East were passing through the valley of death. A month our village was surrounded by soldiers. They meant to starve us to death."

"One day I decided to go through the line to find bread."

"I did. Then I found myself at the open door of a house in another village. A uniformed man noticing me said: 'You look like a Christian. Your hours are counted. I shall kill you.'"

"At that moment I felt God's power in my heart. All fear left me. I felt brave as a lion and light as a deer. I answered: 'Yes, I am a Christian and a son of a Christian. I am ready to die for my faith. But you will not be doing a heroic act by killing me, a weak and unprotected boy.'"

"A woman who heard me speaking said, 'Hasan, I admire this boy for his courage. He must not be killed. Save him.'"

He did. Then a table was set before me in the presence of my enemy."

PRAYER

O Father, we thank Thee for Thy continuous love and care. Thou art so near to us in all of life. For the present and for the future we commit ourselves to Thy fatherly protection. In the name of our Lord Jesus, Amen.

Church Census To
Be Taken Sept. 22

Sunday afternoon, September 22nd between the hour of 3 and 5 o'clock, has been designated as the time a church census will be taken of Belle Glade and the surrounding area, chairman T. E. Hollingsworth announced.

A group of volunteer workers from local churches will call on residents requesting them to fill out a questionnaire indicating their religious preference. Churches participating have been assigned an area of the city and volunteers from that district.

A committee of laymen and members of the Belle Glade Ministerial Association have been working to get out details for the census. A census taken previously some years ago provided most valuable information and is extremely helpful in bringing up to date membership lists. Upon conclusion of the census, the church officials will be requested to report immediately back to their church and turn in their cards.

A special

Belle Glade Band Parents Association will conduct its first fall meeting Tuesday, Sept. 17 with a pot luck supper in the Elementary School cafeteria at 7 o'clock p. m. for all band parents.

Cato, Constitution and bylaws, Mrs. Ralph Freeman; Band house, H. V. D. Vras; Majorettes, Mothers of majorettes; Band in uniform, Mrs. W. T. Forsee; Pairs, Mrs. Herman Close and Mrs. Lloyd Williams; Representative on Athletic Council, Douglas Thompson.

Members of the Band parents Assn. are, Vernie A. Boots, president, C. E. Crichfield, vice president, Ed Mikovsky, secretary, Mrs. W. T. Forsee, treasurer, Mrs. W. T. Tucker, and Mrs. W. T. Forsee.

Good results have been reported from the committee on the sale of program ads for the football programs. Band members and parents were very appreciative of the cooperation received from the merchants and citizens of the community in the promotion of the program last year. It was this wonderful spirit of cooperation that made it possible for the purchase of

Band members are confident that they can again depend on the support of the community this year. All band parents are urged to come out to the first meeting and supper and get the year off to a good start.

"God be thanked for books, they are the voices of the distant and the dead, and make us heirs of the spiritual life of past ages." William E. Channing.

The Angel in the Corner by Clara Dickens. This is a story of Virginia Martin, a child of divorced parents living in London with her mother, Helen, a vain and good-looking

woman who edits a slick fashion magazine, Lady Bountiful. Her divorced father has disappeared out of her life as her mother forbids her to see him. Virginia goes to a journalism school and ends up at Lady Bountiful's. With Jesse Stuart's "gradual recovery his journal grows to exciting proportions. Ultimately the book becomes the inspirational autobiography of a powerful personality of one of America's truly great writers.

Heavy Showers Cause Higher Water Stages

L. A. Farrer, Chief of the Regulation Section in the Jacksonville District Office of the Corps of Engineers, announced today that the heavy showers which have occurred during the last few weeks have caused water levels to rise in the Everglades and Lake Okechobee.

At present, Lake Okechobee is at elevation 14.2 feet above mean sea level and the water depths in the Everglades vary from about 1 to 4 feet.

High water levels in the Everglades Conservation Areas were caused by unusually heavy and frequent showers during the last 5 months. A rain gauge in conservation area 2, about 20 miles northwest of Fort Lauderdale, caught about 80 inches of rain or over twice the normal amount, during the last 5 months.

Farrer said that although the Everglades are quite wet, the levees along the eastern edge of the Conservation Areas have presented flooding of developed areas to the east.

He reports that Lake Okechobee has risen about a half foot during the past two weeks. Inflow to the big lake during August was about 500,000 acre feet, or over 160 billion gallons. This is about equal to the August inflow during the flood years of 1947 and 1953.

Records show that inflow to Lake Okechobee during the past 4 months has been 2.5 times that of a normal year.

McDonald Named PKY Head Coach

The high inflows have made it necessary to make large releases from Lake Okechobee to maintain the lake at a safe stage during the present hurricane season. Releases have been made at the full capacity of the Caloosahatchee River since last May. St. Lucie Canal has also been partially opened for lake regulation during May and June.

Releases through the St. Lucie of 2000 cubic feet per second were begun again on August 16. Above normal rain during the last two weeks has made it necessary to increase the releases to 6000 cubic feet per second.

If above normal rainfall occurs during the next two weeks, releases will have to be increased to the full capacity of the St. Lucie Canal, Farrer stated.

Faculty Honored; PTA Head Names New Committees

A large attendance marked the first meeting of the Parents and Teachers Association for the new year, honoring teachers of the Elementary and high schools.

Mr. Frank C. Anderson, new president, welcomed the guests and the devotional was given by Dr. J. Leighton Scott, pastor of the Everglades Presbyterian Church.

Announcement was made by Mrs. Anderson of the following committees to serve for the new year: Art — Mr. and Mrs. Clarence Tilton; Cafeteria — Mrs. Douglas Thompson; Devotional — Mrs. W. T. Forsee; Exceptional Child — Mrs. Vernon Dexter; Health — Mrs. Richard Murray; Hospitality — Mrs. Robert Abel; Junior Red Cross — Mrs. Paul Higbee; Legislation — Mrs. Henry O. Earwood; Library — Mrs. James Ball; Membership — Mrs. John Whittemore; Program — Mrs. G. L. Connolly; Publicity — Mrs. R. J. Allen; Mrs. Kathleen Livingston; Safety — Louis Lowery.

Mr. Frank O. Hobson, school principal was introduced by the president who in turn introduced the teachers. All of the 54 members of the faculty including Mr. Hobson and Pella Morris, Principal of Elementary School, were present except two.

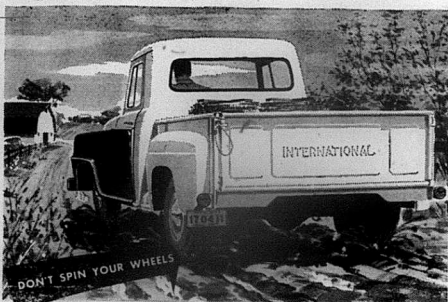

Mrs. Anderson also stated the chairman of the Halloween Carnival which is sponsored by the PTA, were Mr. and Mrs. Verne Boots, and urged everyone to lend their assistance in this project.

After adjournment a social and get acquainted hour was enjoyed. Delicious refreshments of punch and cookies were served by the hostesses, Mrs. Howard Payne, Chairman, Mrs. Robert Davis, Mrs. Richard Poston and Mrs. Herbert Chapman.

Hitchcock explained details of the blood bank. The meeting of this week was the result of a preliminary meeting June 12, which was held for the purpose of organization. Principal speaker at the meeting was Harvey B. Hitchcock, Director of the Palm Beach County Blood Bank.

Thirteen-Year-Old Is Ordered To County Home

A 13-year-old Pahokee girl has been charged with immoral conduct and given a suspended sentence to the School for Girls by Juvenile Judge Richard P. Robbins. She has been sent to the county home and will remain there providing her behavior is good.

Gene Duncan, assistant juvenile counselor said she and her mother were conducting illicit relations and one incident the young girl was observed drinking at her mother's restaurant. Duncan said charges would be placed against the mother and that the woman's two boys, aged 15 and 16, had been placed in their grandparents' home by a court order. Duncan said the boys were not connected in any way with the illicit conduct of the mother.

NEGRO NEWS

SPORTS BEAT

By George S. McKay

I am quite sure many of you tennis fans will agree that Al-the-Gibson's play leading up to the title was magnificent. Both she and Mrs. Brown overcame early litters to give the gallery a thrilling match. I am wondering if many of you armchair tennis players, who watched the semi-finals on TV Saturday, would agree that she was a bad service call, killed U.S. chances of getting into the finals of the men's singles.

In the last game of the 4th set, Australia's Mal Anderson served a fault which the referee called. The referee then changed the call and, upon Davidson's protest, informed him that the rules permitted him to change. Mal Anderson went on to win as a result of Davidson's shabby play there-after.

Miss Gibson also shared the mixed doubles title. When asked how it felt to be the first of her race to win this coveted title, she replied "Wonderful."

The Lake Shore Bobcats looked mighty good in practice this week. After watching some of the back rack up yardage, I can't help but feel the Bobcats will have one of the best years. Coach McCoy and Richardson are doing a tremendous job with these kids. The rest of it will be up to us as parents and spectators.

I will continue to remind you that the success of their season will depend solely the effort put forth by you to put Lake Shore High "Bobcats" back in to the football picture.

If you heard loud popping noise from up Tallahassee way, don't be alarmed, for it was only the buttons on "Rattler" Coach Jake Galtner's vest when he heard about Willie Gallimore's debut with the Chicago Bears. Gallimore reeled off two long sparkling touchdowns runs in an exhibition game Sunday. He joins another great Floridian Rick Caseres in the Chicago backfield. Jake Galtner's ears were probably smarting when he read of the Saturday Evening Post's prediction that Tennessee State figures to repeat as national Negro champion.

The "Rattlers" of FAUW will have something to say about that this year. I wouldn't be surprised if Tennessee State received the earliest of the Blossom Classic bid on record. Usually the season is allowed

to mellow before an opponent is selected.

Cernan Batilio's September 23rd date with Sugar Ray will put a stop to a lot of guessing and speculative chatter circulating in the world of boxing. Batilio will make one of the healthiest purses of his career and maybe a title to boot. I still believe that Robby will knock him out for he is no stayer.

Batilio's philosophy of taking a punch in order to give one might boomerang on him. I will take an old pro to whip him and I believe Robinson will be that man. I see Champ Joe Brown has received a lucrative offer to defend his title. This probably resulted from his dismal showing in his last outing against Joey Lopez. — Mack.

Parties Held By Civic Orders Revealed Here

Golden Eagle Club Two, Belle Glade Pride Court Four, Mat Gray and Baldwin Court Nine sponsored a party August 23 for the benefit of the order. It was reported this week.

Refreshments were served the juveniles in the afternoon and the adults began their party at 7:30 p. m. Music was furnished by Belle Glade Priv. Col. Four.

Honored guests were Rev. W. K. Kinds of Okeechobee Lodge 54, Amos Devanagh of St. Simon Lodge 232 and Knights of Pythias, juvenile department deputy commissioner state deputy W. H. Baldwin, district and deputy, Mrs. Mattie Gray.

Degrees Are Conferred

Okkechobee Lodge 54 conferred degrees on three brothers at their last regular meeting.

Receiving the degrees were Ernest Eddings, Lee Andrew Jackson, and Jessie Epps. Vouchers for the three were James Campbell and Adolphus Eddings.

Taylor Named To Advisory Board

W. C. Taylor, of Belle Glade, was one of five outstanding citizens, leaders in their interest in education, in this county, named to the advisory board of the proposed new Negro Junior College.

The approval of the county school board was given Friday and further approval is expected to be passed by the state board of education at Tallahassee sometime soon.

Taylor and Mrs. Woodie Delinger, West Palm Beach, were given two-year terms; S. D. Spauldy, Delray Beach, one year; and Alton Williams and Carl Robinson, both of West Palm Beach, three year terms.

Purpose of the advisory board, which will function much the same as a similar board for the Palm Beach Junior College, will be to bring the viewpoints of Negro communities to the attention of the school board.

It will also help to select and discuss the curriculum, the selection of training courses, screen personnel of the school, and advise on policy matters.

An appropriation of \$208,000 will be available to the board from which classrooms will be made and no school for the opening has been announced.

Presumably the institution will be built near Roosevelt Elementary School west of the Seaboard Railway right-of-way.

Activities Told At Pahokee School

Miss Briggs, Bible instructor, visited the campus of Everglades Elementary at Pahokee Monday to meet the new teacher and discuss the Children's Bible Mission for the school year.

Mr. Roberts, 6th grade teacher, will act as advisor to the student council and patrol which will be composed of pupils in grades 3-6. These organizations are to be in improving citizenship among pupils and give them a sense of responsibility.

The principal would like to thank parents for their co-operation in supporting the milk program. At the close of the first week of school, 70 percent of the pupils enrolled had bought milk.

Mr. Robert Hart, president of the PTA announced the first meeting of that group Tuesday, Sept. 17 at 8 p. m.

Faculty members attending summer school were Mrs. Lele Morris and Mrs. Emma Herring at Fla. A&M and Mrs. January Stephens, Tennessee A&I University at Nashville.

Some Increase Noted At Rosenwald School

This term's initial enrollment of 254 represents an increase of 34 over the first week of the 1956-57 term. Mrs. Mary S. Jackson, graduate of Bethune Cookman College was appointed to the faculty to replace Mrs. Evelyn P. Mitchell who was promoted to the principalship of Bryant Elementary School, Bryant, Fla. Replacing Mrs. Olivia S. Jackson, now on maternity leave, is Miss Bobbie Lou Williams also a graduate of Bethune Cookman College. Returnees to the faculty for the 1957-58 school term were Miss Marian E. Brown, Mrs. Reagen S. Bennett, Mrs. Irene Clay, Mrs. Margaret J. Davis, Miss Ida L. Jordan, Mrs. Dorothy W. McCurdy, Mrs. Mac D. Ross, and Miss Edgar M. Tucker.

County Health Nurses Confer At Elementary

Mrs. Browning and Nurse Ivory Davis of the county health department met with the faculty of the Okeechobee Elementary School Wednesday, Sept. 4 for the purpose of extending the services of the department to the parents, students and faculty of migrant children.

This was the first of a series of meetings to be held during the year. Miss Nadine Jones is health co-ordinator at Okeechobee Elementary.

Gray Ladies Society Sets Sunday Meeting

The Gray Ladies Club of Belle Glade announced that their next meeting will be held at the home of Mrs. Rosa Lee Calhoun of 248 SW 5th St. Sunday, Sept. 15, 1957.

The Gray Ladies are a familiar sight donating their services at the hospital, public health clinic and public school assisting with innovations, TB X-ray units and various other Red Cross activities.

Mrs. Margaret Poole is presently serving as president with Mrs. Daisy Murrell as chairman.

Okkechobee School PTA Holds First Meeting

The Okkechobee Elementary PTA, under the leadership of Mrs. Henrietta Bockey, held its first meeting Thursday in the school building.

Reorganization was the major agenda item as well as the drawing of plans for the 1957-58 school year.

Principal Greaux gave a few inspiring remarks which gave impetus to the parents present. All present expressed their desire to have a better PTA during the school year.

Negro Deaths

Funeral services for O. C. Griffin, 47, a long-time Belle Glade resident who was residing at 216 SW 5th St., were held Thursday at Kistimmee following his death Sept. 5 at Belle Glade Memorial Hospital due to complications of cancer.

Griffin is survived by his wife, Ethel, of Belle Glade and a sister, Lillian Winn, New York City. Local arrangements in charge of Taylor Funeral Home.

Funeral services for Cora Ward, 60, of LaBelle, will be held at the First Baptist Church, LaBelle, with Reverend Bennett, pastor, officiating.

Mrs. Ward was dead on arrival at Belle Glade Memorial Hospital Sept. 8 reportedly due to a heart attack. She is survived by her husband, Arlando Ward, and one son, Lonzo Ward, both of LaBelle.

Burial will be at Everglades cemetery, Fort Myers, with Taylor Funeral Home in charge of local arrangements.

A/3c Kendall Visits

A/3c David Kendall left Monday for Topeka, Kansas, where he is currently stationed, following a visit here with his parents, Mr. and Mrs. Sandy Kendall.

Services Held Sunday For Mrs. Rosa Perry

Mrs. Ruth Jenkins, Mrs. Mae Ross and Miss Annie Mells of Belle Glade met at Arcadia Sunday morning to attend the funeral services for Mrs. Rosa Perry, who succumbed after a long illness.

Mrs. Perry was the mother of Mrs. Mary J. Alexander, former faculty member of Lake Shore Elementary School. Mrs. Perry is survived by Mrs. Alexander and two grandchildren.

NEGRO CIVIC NEEDS

(Continued from Page One) athletic field and recreation area will be filled in next year. Another question asked for support of paved streets around Lake Shore park. Robinson said up for this purpose and that any work done would have to conform to his general street program.

As to the elimination of wild growths of grass, bushes, weeds and the like which grow over extensive areas in the negro section, Robinson said this was also a city-wide problem and that the city would undoubtedly do the best it could with ex-

isting equipment. The questionnaire called on the elected officials to investigate the reasons why no paved streets existed south of Avenue E. Here again Robinson said any work would have to conform to the general street program; and that streets would continue to be built on the basis of need and travel, as far as he knew.

Finally, there was a request for "play area" signs and other means of safeguarding the lives of children. Robinson said this could be taken care of. In addition, he said, there was \$1,800 set up to pay an adult school crossing guard near the school. Robinson's opinions and answers were based solely on budget appropriations. Further commission action could alter any and all of the above statements.

Myrtle Lake Farms Sets September 21 For Sale Near Winter Haven

Due to a recent sale of the ranch property, the entire nationally known registered Shorthorn and Polled Shorthorn herd of Myrtle Lake Farms will be sold at auction at the farm near Winter Haven Saturday, Sept. 21, beginning at noon.

A total of 184 head will be offered, and advance indications are that cattlemen from 18 states and Canada will attend. The herd is owned by the Lawless Cattle Company of which Winston Lawless is president and Lester Norton is manager.

"We regret the necessity of this dispersal," states Lawless. "The Myrtle Lake herd was just reaching the point where it was beginning to write history."

Lawless went on to say that in fairness to the public every animal will be sold. "Shorthorn blood is greatly needed in Florida," he said. "It is the best cross of any English breed with our Brahman and native stock, as proved by the Santa Gertrudis, which is 5/8 Shorthorn."

While we expect people from everywhere at this sale, we are hopeful that a big share of the cattle will stay right here in Florida where we need them so badly."

Mr. and Mrs. J. B. Hendry have returned to Bare Beach to make their home.

"Pop's" Cafe is closed for the month of September and the building is being remodeled.

Mr. and Mrs. C. A. Thomas and family and Mrs. R. L. Saxton spent Sunday with Mr. and Mrs. R. M. Easton in Miami.

Mrs. Zolite Gillette of Fort Pierce and Mrs. Walt Edwards and son of Long Beach, Cal. have been the guests of Mr. and Mrs. Y. E. Smith for a few days.

Mr. and Mrs. C. H. Pope spent the week end in Jensen Beach with Mr. and Mrs. W. J. Weiss.

Mrs. J. L. Grant and Mrs. Polly McClendon of Clewiston visited Mr. and Mrs. Leon Pope and Mrs. J. S. Seegin Sunday.

Mrs. W. D. Hinson and Donna of Augusta, Ga., have been the guests of her brother, Loyd McKinley and Mrs. McKinley for several days. They also visited Mr. and Mrs. E. B. McKinley in Belle Glade, while here.

Mr. and Mrs. C. F. Clements of Lake City spent some time seeing old friends in Lake Harbor Monday. Mr. Clements is a former pastor of the Baptist Church here.

Pastor And Wife Are Welcomed By WSCS

Members of the Women's Society of Christian Service of the Lake Harbor Methodist Church met at the parsonage Wednesday morning to make it ready for the return of Dr. and Mrs. Nicole Di Stefano and their wife who were returning from a vacation to their summer home in the Adirondack Mountains.

The ladies painted the living room, study and kitchen while they were away and the pantry well stocked as a welcoming home surprise.

Equipment, Training, Education Spell Less Fire Hazard For You

Three and one-half months of the last major fire in Belle Glade according to Belle Glade Fire Chief L. E. Will. Three buildings were destroyed and one other damaged May 27.

The low incident of fires in the last few months can be attributed to a number of factors. The major factor has been the replacement of old frame buildings with modern concrete ones.

Other factors are the placement of fire extinguishers and repair of the older buildings which have not been replaced. Talks before school and civic clubs by fire personnel in the city has been a major part of an educational program carried on by the Belle Glade department.

Extensive training of personnel and the availability of new, modern equipment is another important factor in the drive for a safer city.

Through the efforts of the local fire department and other city officials the loss ratio from a fire has been reduced. More paid firemen and better equipment has caused a reduction in insurance rates by the National Board of Fire Underwriters.

Belle Glade has been raised from a class three city to a class two city in view of the smaller loss ratio obtained.

In 1952 city dwellers paid 36 cents per hundred dollars of policy. In 1956 the rate was reduced to 28 cents, and this year the rate dropped to 24 cents. This means an overall reduction of 26%.

The above rates refer to frame buildings. CDS buildings have had a similar drop of rates. In 1952 policy holders paid 26 cents. This year they'll pay 14 cents.

The rate schedules and classifications of a municipality are determined by its municipal fire defense, physical condition and characteristics. Each municipality is rated on adequacy and reliability of water supply, the adequacy and effectiveness of the fire department and fire alarm system, the enactment and enforcement of modern building and fire prevention laws and the density and construction of buildings.

Only Jacksonville holds a class one rating in the state.

Only Minor Fires Seen On BGFED Record Lately

Just for the record, here is a list of fire calls handled by the Belle Glade Fire Department in the past few weeks.

A small fire in a car in front of city hall in a car belonging to Barney Colliers, of Belle Glade, was extinguished Sept. 7 before any serious damage occurred.

The department made a first aid run August 17 following an auto accident. On August 2 a car fire was out on arrival after gasoline spilled into the trunk of a car.

July 19 saw only one small car fire which was extinguished without incident. Only July 14 the department handled without extensive damage a rough fire on SW Ave. C Place. On July 10 emergency rescue equipment was rushed to the Glades State Prison Farm; however, the drowned victim had

New Recruiter Joins WPB Navy Office Staff

Latest addition to the West Palm Beach Navy Recruiting Station is Gunner's Mate First Class Thomas Beatty, a veteran of 16 years Navy service and native of West Palm Beach. Beatty's last duty assignment was with the USS Saffley, EDDE 463 at Key West, a ship for experimental service. He recently completed the Navy Recruiting Course at Bainbridge, Maryland.

Beatty is expected to make weekly visits to Belle Glade and Pahokee to talk to interested young men about Navy service. High school graduates are reminded that they can obtain schooling in the Navy in the field of their choice.

Prior service Navy men were also reminded that they, too, have a choice of schooling in many varied fields upon their re-enlistment.

Recruiters will be at the Belle Glade draft board Wednesdays from 10:30 a. m. until noon and at the Pahokee post office from 1-2 p. m. At West Palm Beach the recruiting office is located in room 207, post office building, phone Temple 2-2286.

Tip to motorists: Watch out for school kids — they weren't brought up to be run down.

CHEVROLET PICKUP CLIMBS PIKES PEAK THE HARD WAY ...OFF THE ROAD!

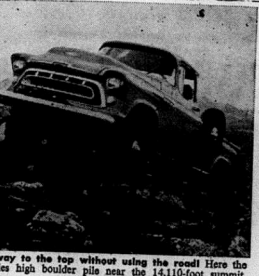

An off-the-road run up Pikes Peak was called impossible by people who know the mountain well. But a production Chevrolet pickup actually did it . . . to prove its pulling power and ruggedness!

Sheep grade near timberline—a rugged test of power. The power and torque of Chevrolet's famous Thriftmaster 6 proved more than a match for the most difficult grades.

Miles of loose boulders and thinning air offer extreme challenge. Yet the big Chevy engine never faltered; it performed flawlessly mile after mile, all the way up the mountain!

All the way to the top without using the road! Here the truck scales high boulder pile near the 14,110-foot summit.

Final effort achieves summit! Pickup conquers Pikes Peak . . . shows why Chevrolet trucks are famous for staying and saving on tough jobs! Talk trucks with your Chevrolet dealer.
